Agenda Item	Notes	Action Item
Public Comments	Ryan inquired regarding thank you notes from community for those that allow riders and land managers.	
Introductions		
Guest: WMBC Joyriders Zoa Spackman	This season - 11 rides averaging 14 riders, one ride had 24 riders. Lot of riders from out of town. Food Drive successful gathering 400 lbs. Next ride leader training to be scheduled	Schedule a Joyrider sponsored build day.
Director of Education Report	Received \$2000 from Northwest Recycling. Will help to fund rodeos. Working with Smart Trips and their new manager with Bike Rodeos. Lots of help with the kids and Trail Builders. Next Trail Day is Nov. 19th and Dec 8th. T-shirts are currently being printed. 100 Acres Woods still in holding pattern to date so the kids are working on Cheech and Chong's instead.	

	<p>Ride Leader training to be taught to PE Teachers and other teachers in the high schools.</p> <p>Options High School interested in riding and trail programs. Javon led a service learning day at Winward High.</p>	
<p>Trail Director Report</p>	<p>Galbraith: Logging on Galby traveling north from the Blue Rock then move over to Kung Fu and tough Love. Lots of cleanup after the logging. Will log SST area next week. Nothing on Pickup Sticks. Lots of Trail Days coming up. Dec 2nd, G-Spot will host.</p> <p>Chuckanuts: Will focus on trees down on Cleator and Fragrance and then lower connector.</p> <p>USFS: Canyon Creek reopening in 2018. Eric scouting with the county and city people currently.</p> <p>City of Bellingham: Finishing up privacy fence at Whatcom Falls and then work on the dirt. Birchwood still has potential contract pending.</p> <p>DNR: Traveled to Olympia this day to listen and then testify at the meeting regarding recreation in potential habitat areas. Worked with others regarding setting aside land on Blanchard this work. DNR meeting on December 13th at the Ferry Terminal.</p>	<p>Val suggested putting out alerts for the logging</p> <p>Eric will post update on the DNR meeting.</p> <p>Working on annual report and membership drive strategy.</p>

Structures Coordinator Report	Finished up bridge on Cedar Dust.
